#### **Article 1 – Introduction**

##### **1.1**

Soccer in western Pennsylvania will be known as a sporting activity where courtesy, common sense, and good sportsmanship prevail. The Youth Board issues these Rules and Regulations to supplement the current FIFA Laws of the Game and US Youth Soccer rules and are to be followed uniformly. The purpose of these Rules and Regulations is to encourage the playing of youth soccer by providing a uniform and organized standard. Sportsmanship and fair play is the standard in all instances whether enumerated in a written rule or not.

Harassment, abuse, or assault of referees is not to be tolerated; the right of each player, coach, team/club official, parent and spectator to attend games is a privilege that can be lost by inappropriate conduct.

##### **1.2**

These rules govern all play and are supported by Youth Division Regulations which carry the same obligation of compliance. Clubs have the right to retain house rules for their In- House providing such rules are consistent and in accord with PA West Soccer and US Youth Soccer rules. All Districts and Divisions have the right to augment the Rules with the approval of the PA West Soccer Youth Board. Rule violations are subject to a hearing. "TOPSoccer" players will be granted exceptions to the rules and regulations.

##### **1.3**

A claim of ignorance of these rules and regulations shall not be satisfactory grounds for the waiving of such rules and regulations.

##### **1.4**

Proposed rule changes are to be submitted to the State Office to be forwarded to the Youth Board Chair by March 1 for the Fall Session and October 1 for the Spring Session.

The Youth Board has the authority and obligation to review, change and adjust the rules each year. The Youth Board has the authority to change or adjust each and any rule that is in conflict with another rule or any policy handed down from US Youth Soccer national or regional authorities at the January meeting.

##### **1.5**

All illegal drugs, alcoholic beverages, and weapons are prohibited at all PA West Soccer sanctioned or sponsored activities, where youth are present. Clubs/individuals who do not comply with this rule will be required to appear before the Disciplinary Committee. Those found guilty of violations of this rule will be subject to suspension for up to one playing season (one year). The Divisional/District Director, or Tournament Chair, will immediately suspend those involved until the Disciplinary Committee has met and decided the case.

##### **1.6**

Only the Youth Board has the authority to grant exceptions to these rules. All requests for exceptions must be submitted by the Club President in writing to the Youth Board President or his designee (e.g. the Rules Committee) who will include the request on the agenda for discussion at the next regularly scheduled board meeting. A ¾ vote of the members present will be required to grant an exception. All exception hearings will be held in executive session. These rules will remain in effect until revised or amended as provided by the PA West Soccer Constitution and By-Laws. These rules supersede all presently effective rules. Each District/Division shall have the right to impose fines upon its member clubs/teams for non-attendance at presidents meetings, or to require clubs/teams to post performance bonds for various age group participation. Such fines must be approved by a majority of club voting members present (as defined by that District/Division) from the specific District or Division imposing the fine; all such levies must be approved prior to the start

of any season and confirmed by the Youth Board.

**1.7**

For all disciplinary matters overnight, regular and express, or certified letter (signature required) shall be the official means of communication, supplemented but not replaced by phone calls or email.

**1.8**

PA West Soccer's Youth Division may adjust the Youth Division Playing Rules as necessitated by amendments to the PA West Soccer Constitution and/or Bylaws.

  - 3.2. If a protest or Appeal is being made on a matter not involving action of a District/Division Disciplinary/Hearing Board, the appellant is first to contact the Youth Board President to determine if this is a matter properly reviewable by the Youth Division. If so, the President may refer the matter to the Hearings and Appeals Committee Chairperson for appropriate fact-finding (including, if necessary, the convening of the Hearings and Appeals Committee to include the District/Division Director for the team(s) in question) and ruling, or the President may refer the matter to the Youth Board of Directors for review, or the President may take such action as may be appropriate. If the matter is to be reviewed by the Youth Board Hearings and Appeals Committee or the Youth Board of Directors the same procedures must be followed in the taking of the Appeal as set forth above in subparagraph "1" with the addition that the Youth Board President is to be copied on the Appeal (by regular mail) and 12 copies of all statements, facts and arguments for consideration shall be submitted to the State Office with the Appeal for distribution.
  - 3.3. If an Appeal is taken from the Hearings and Appeals Committee to the Youth Board of Directors, this must occur in writing within ten (10) days of receipt of hearing findings. No further appeal fee must be paid, but the Youth Board may overturn the decision of the Hearings and Appeals Committee only by a three-quarters vote of the total voting members present of the Board of Directors.
  - 3.4. The next level of appeal shall be to the USSF by completing a Notice of Appeal in accordance to USSF procedures (currently USSF Bylaw 705) providing for the party to complete a USSF Notice of Appeal with appeal fee to be submitted within ten (10) days of receipt of the decision rendered by the Adult or Youth Divisions or Referee Committee or other PA West Soccer final decision. The Federation's Appeals Committee has the jurisdiction to approve, modify or reverse decisions.
